The provider informs that personal data will be treated in accordance with the provisions of current regulations on the protection of personal data, specifically, Regulation (EU) 2016/679 of April 27, 2016 (GDPR), on protection of natural persons with regards to the processing of personal data and the free circulation of this data.

PURPOSE

The main purpose is to maintain a commercial relationship with the User. The operations planned to perform the data processing are:

1. Sending of commercial communications advertising by e-mail, fax, SMS, MMS, social networks or any other electronic or physical, present or future, which enables commercial communication make. These commercial communications will be related to products or services offered by the provider and by collaborators or partners with whom it had reached an agreement to promote trade among its customers. In this case, third parts will never have access to personal data. In any case the commercial communication shall be made by the provider and will be for products and related services provider sector.
2. To process orders, requests or any type of request is made by the user through any form of contact that is made available to the user on the website of the company.
3. Forward the newsletter on the website.

DEADLINE CONSERVATION DATA

The personal data provided will be kept as long as the relationship with the entity is maintained, as long as there is a mutual interest to maintain the end of the treatment and while the deletion has not been requested by the interested party. When it is no longer necessary for that purpose, they will be eliminated with adequate security measures to guarantee the pseudonymization of the data or the total destruction of the same.

LEGITIMATION

Legitimation by contract execution:

Due to the processing of personal data is necessary for the execution of a commercial contract, in which the user is a party, it is stated that the type of contract in question is the aforementioned commercial contract or the pre-contractual relationship. As the communication of personal data is a legal or contractual requirement and a necessary requirement to subscribe the aforementioned contract, the interested party is informed that it is obliged to provide personal data, and also that the consequences of not doing so may result in the non-provision of the service.

Legitimation by consent of the interested party:

The main purpose will be always legitimized by the execution of the contract established by the parties, but if there is any more specific purpose than those previously established, it will be understood that the legal basis of the legitimation is through the explicit consent of the interested party.

MANDATORY OR OPTIONAL NATURE OF THE INFORMATION PROVIDED BY THE USER

Interested users, by entering data in the fields specified for it, expressly, freely and unequivocally accept that their data is necessary to meet their request. This will be proved with

your personal signature.
